Joseph W. Murphy, Superintendent

Midland Schools,

I am writing in reference to Metro Controls. We are very happy to have their control system on our Building Management System. If we ever have any questions with anything they are only a phone call away and deliver fast reliable results. The remote access is a very handy tool because they can log in and see what is going on with the system and quickly help with any questions or concerns. I would recommend them to anyone looking for a quality Building Management System.
